COURAGE!

Mark Twain

Courage is not the lack of fear. It is acting in spite of it.

13 - 1 HOUR EPISODES CELEBRATING ACTS OF SELFLESSNESS, BRAVERY AND FAITH

NARRATED BY HUGH DILLON

COURAGE is a docudrama series designed for family viewing.

COURAGE features stories from both contemporary and historical files that involve great acts of heroism. Think of Amelia Earhart and her flights around the world at a time when women were supposed to "be seen and not heard", Terry Fox's monumental run or Neil Armstrong's giant step for humankind.

From the headlines of local daily newspapers to the grand adventures of Scott of the Antarctic, COURAGE looks at the "best" people can give of themselves and offers it up to the viewer for both quiet contemplation and animated discussion.

COURAGE tells its stories without glorifying violence or high-risk behavior. It commemorates and pays tribute to the spirit, selflessness and the great faith that must have been required by these individuals in the heat of the moment or over an entire lifetime.

TREATMENT

Stylized recreations using non traditional animation techniques, file footage of actual events and dramatic narration will bring our "heroes" to life. Each hour will feature two or three stories that will resonate with the viewers. Family friendly; never morose, or depressing, COURAGE will always be uplifting and positive.

WHAT THE PEOPLE NEED NOW IS REAL HEROES. NOT THE ONES MADE UP IN COMIC BOOKS AND FILMS.
